

SIIMIN QR CODE BUSINESS CARD

HOW DOES IT WORK?

- Record your **personal informations** during the ticket booking process
- Get your own wearable **printed badge** on site
- QR CODE contains **your contact informations** to share
- The printed badge contains your name, surname, company name, function and your **QR CODE**
- Exhibitors can **scan your QR CODE** with our free application to get your contact informations
- If you are not registered, you can do it on site with our welcome **ambassadors team**. Your QR CODE badge will be printed on site.
- In all time, come back to our **reception desk** and ask our team to print your lost badge again for free
- Download our **free application to boost** your business networking
